

Dyslexia Training Workshop

For those working with 16+/adults.

Course content

If you successfully complete this course you will be able to:-

- Demonstrate an understanding of the impact of dyslexia on learners in own contexts
- Explore and analyse a range of approaches and strategies for working with learners with dyslexia.
- The aim of this course is to demystify dyslexia, to raise awareness and to encourage application to own contexts and roles.

Am I eligible to apply?

No previous knowledge or experience is required. If you have an interest in dyslexia, for any reason, and wish to learn more, this short course will explore some of the main issues.
